Jyoti Gondek, Mayor

## LETTER OF RECOGNITION

*Registered Veterinary Technologist Month* honours the invaluable contributions of Registered Veterinary Technologists (RVTs) in advancing the field of veterinary medicine.

RVTs are an integral part of the veterinary care team, working alongside veterinarians to provide comprehensive care to animals. In performing physical exams, administering medication, or assisting in surgery, they play a crucial role in the health of both treasured family pets and the livestock that our food chain relies on.

The City of Calgary recognizes October 2024 as *Registered Veterinary Technologist Month*, celebrating their professionalism, expertise, and commitment to ensuring the overall welfare of animals in our community.
